Skills

- **An impeccable grasp of the English language.** I write for pleasure, and enjoy communicating ideas with flair, clarity and concision.
- **Organization.** I manage my time and tasks effectively.
- **An eye for aesthetics, design, and presentation.** I adore understated typography, functional communication, and interactive design. I can put this into practice on the web, in Photoshop, or simply in letter-writing.
- **Problem-solving and strategic thinking.** I strive to eliminate routine tasks.
- **Office suites** (MS Office, OpenOffice, Google Docs). I am comfortable with document processing, spreadsheets, presentations, and databases.
- **I.T. administration**, including operating systems (Windows, Linux) and networking (small-scale)
- **Programming and computer science.** I am happy using various languages including C++, Javascript, and Haskell. I can develop modern web sites and applications.
