

James Fisher

Date of birth October 1987
Address Colchester, Essex, CO3 3UZ
Email address jameshfisher@gmail.com
Mobile tel. no. 07951 498 897

I am a developer and designer with a degree in History with first-class honours. I like problems and will attack them until solved. I like to communicate in paint, print, and programming.

Education

2006–9 Bachelor of Arts degree, with first-class honors, in History, at the University of York.

2004–6 Achieved the following six A-levels:

Grade	Subjects	Institution
A	History	Colchester Royal Grammar School
A	Computing	Colchester Royal Grammar School
A	General Studies	Colchester Royal Grammar School
B	Physics	Colchester Royal Grammar School
B	Mathematics	Colchester Royal Grammar School
B	Art and Design	Grey Friars

2002–4 Eleven GCSEs at Colchester Royal Grammar School.

Skills

- I have computing and I.T. experience of the following, with varying familiarity:

Systems langs. (C, C++, Go, D)	Scripting langs. (Python, PHP, JS)	Functional langs. (Haskell)
jQuery, jQuery UI, underscore	Apache, NodeJS, MVC (Django)	HTML5, CSS3, XML, JSON, &c.
Revision control (git, svn)	Testing (xUnit, QuickCheck)	SQL, MySQL, PostgreSQL
TEX, L ^A T _E X	Linux, Windows	
- **An understanding of algorithmics and a comfortableness with formalism.** I am familiar with Big-O notation. I enjoy playing with and implementing algorithms for their own sake.
- **An impeccable grasp of the English language.** I write for pleasure, and enjoy communicating ideas with flair, clarity and concision. I believe this is a prerequisite of being an effective programmer.
- **An eye for aesthetics, design, and presentation.** I adore understated typography, functional communication, and interactive design.
- **Problem-solving and strategic thinking.** I will thrive in an intellectually challenging workplace. I strive to eliminate routine tasks.

Previous work and achievements

- 2006–present Director and Secretary of **Lexden Montessori**. In these roles I have overseen, among other things,
- **Business planning.** From the outset I have been involved in the company’s expansion and direction of growth. I understand the requirements and challenges of a small business.
 - **Market research and advertising** in multiple media (print, web, radio, and others). I have learned, by success and failure, how to think from a customer’s perspective.
 - **Administration and secretarial duties.** The follies of schematizing, sorting, and cross-referencing paperwork led me towards the real power of the computer.
 - **Web design and maintenance** for <http://www.lexdenmontessori.com/>.
- 2012–present
(work in progress) Branding and marketing consultancy for **The Gilgil Trust** (<http://www.gilgiltrust.org.uk/>), an organization providing young people around the town of Gilgil in Kenya with shelter, health-care, and help in their education and careers.
- 2010 Branding for **Pembroke House** (<http://www.pembrokehouse.sc.ke/>), a private Kenyan prep school. In the words of their Commercial Director,
- James has worked with me on new brand designs for Harambee Schools Kenya (*see below*), a charity and Pembroke House school, a prep school. In both cases his work was of the highest quality, and reflected a passion for design, but also for getting under the skin of the organisation he is designing for. I wouldn't hesitate to use James again for any design projects that I might have.
- 2010 Branding and web design for **Harambee Schools Kenya** (<http://www.hsk.org.uk/>), a charity building schools around Gilgil in rural Kenya.
- GWS Media** gave the website an award, commending its “plain, clear English; striking design, and beautiful images.” To date, the new branding and website is known to have directly brought in **£53,000 of funding**, including from UBM (the global media and comms giant) and HSBC, who made HSK their official corporate charity after finding their website.
- 2009 Developing an internal database-driven system for managing care homes and CSCI reports for **Caring Homes**.
- 2008 Various responsibilities at **Caring Homes**, including: accountancy and financial planning, due diligence, insurance of plant, and remote I.T. support
- 2005 First prize in a sixth-form art competition
- 2004–6 I.T. technician at Colchester Royal Grammar School
- 2004–5 Membership in a **Young Enterprise** company, qualifying with a **distinction**
